To all whom it may concern:

Be it known that I, Arthur Albanese, a citizen of the United States, residing at Providence, in the county of Providence and State of Rhode Island, have invented a new, original, and ornamental Design for Expansible Watch Bracelet, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof, wherein:

Fig. 1 is a top plan view of an expansible watch bracelet embodying my new design, the links shown in full lines being repeated throughout the length of the bracelet as indicated by the dot and dash lines, portions of some of the links being broken away for illustrative purposes only.

Fig. 2 is a similar top plan view of the bracelet with the link in an expanded position and with the conventional bottom links visible between the expanded top links.

Fig. 3 is a bottom perspective view of one of the top links of the bracelet.

I claim:
The ornamental design for an expansible watch bracelet, as shown and described.

ARTHUR ALBANESE.
