(57) **CLAIM**

The ornamental design for a display panel with graphical user interface as shown and described.

DESCRIPTION

The FIGURE is a front view of a display panel with graphical user interface showing our new design. The outermost dashed broken lines illustrate a display panel and form no part of claimed design. The other dashed broken lines illustrate portions of the graphical user interface that form no part of the claimed design. The dot-dash broken lines define the bounds of the claim, forming no part thereof.
