UNITED STATES PATENT OFFICE

166,129

PRECAST CONCRETE BUILDING FRAME
MEMBER

David Rubenstein, San Diego, Calif.

Application February 19, 1951, Serial No. 14,271

Term of patent 14 years

(Cl. D51—1)

To all whom it may concern:

Be it known that I, David Rubenstein, a citizen of the United States, residing at San Diego, in the county of San Diego and State of California, have invented a new, original, and ornamental Design for a Precast Concrete Building Frame Member, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

Figure 1 is a perspective view of a precast concrete building frame member showing my new design;

Figure 2 is a side elevational view thereof;

Figure 3 is a transverse sectional view taken on the plane of the line 3—3 of Figure 2; and

Figure 4 is a horizontal sectional view taken on the plane of the line 4—4 of Figure 2.

I claim:

The ornamental design for a precast concrete building frame member, as shown.

DAVID RUBENSTEIN.
