Filed Feb. 4, 1972, Ser. No. 223,820

Term of patent 14 years

U.S. Cl. D6—154

The single figure is a view in perspective of my design. The back of the armoire is conventionally flat and the side not pictured is identical to the side shown.

I claim:
The ornamental design for an armoire with carved motif or the like, substantially as shown and described.
