**Patent No.:** US D447,975 S

**Date of Patent:** Sep. 18, 2001

**Inventor:** Raymond V. Padilla

**Assignee:** Raymond V. Padilla

**Primary Examiner:** Nelson C. Holtje

**Claims:**

The ornamental design for the display of 24-hour clock time, as shown and described.

**Description:**

FIG. 1 is a front view showing the background for the display of 24-hour clock time with no specific time showing; and,

FIG. 2 is a front view showing the background for the display of 24-hour clock time with a specific time showing. The specific display of time varies during the time of day and night.

Twenty-four time is displayed in the background drawn in FIG. 1. FIG. 2 shows an example of the background when a specific time is displayed.

The broken line showing of FIGS. 1 and 2 are for illustrative purposes only and forms no part of the claimed design.
