CLAIM

The ornamental design for a “USB charger for electronic cigarette,” as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a USB charger for an electronic cigarette showing my new design with a USB port thereof being folded;

FIG. 2 is a rear elevational view thereof;

FIG. 3 is a left side elevational view thereof;

FIG. 4 is a right side elevational view thereof;

FIG. 5 is a top plan view thereof;

FIG. 6 is a bottom plan view thereof;

FIG. 7 is a front, top and left side perspective view thereof;

FIG. 8 is a front, top and left side perspective view of the USB charger for an electronic cigarette with the USB port extending outwards;

FIG. 9 is a rear, bottom and right side perspective view of the USB charger for an electronic cigarette of FIG. 8;

FIG. 10 is a rear, bottom and right side perspective view of the USB charger for an electronic cigarette with the USB port extending outwards and with an electronic cigarette being inserted therein; and,

FIG. 11 is a top elevational view of the USB charger for an electronic cigarette of FIG. 10.

The broken lines are for illustrative purposes only and form no part of the claimed design.
