To all whom it may concern:

Be it known that I, ANTHONY W. SENZ, a citizen of the United States of America, residing at Chicago, in the county of Cook, and State of Illinois, have invented a new, original, and ornamental Design for Bathing Caps, of which the following is a specification, reference being had to the accompanying drawing, forming a part thereof.

The figure is a side perspective view of a bathing cap, showing my new design. The characteristic feature of the design resides in the provision of a bathing cap having earrings.

I claim:

The ornamental design for a bathing cap as shown and described.
