DESCRIPTION

FIG. 1 is a front elevational view of a pair of vehicle rear signal lights showing our new design, the automobile being shown in broken lines for illustrative purposes only;

FIG. 2 is a front elevational view of one of the signal lights on an enlarged scale, the second lens, which is a mirror image of the first, being omitted for convenience of illustration;

FIG. 3 is a top plan view thereof.

FIG. 4 is a right side elevational view thereof; and

FIG. 5 is a left side elevational view thereof.
